

A romantic photograph of a bride and groom in a close embrace, kissing. The groom is on the left, wearing a black tuxedo with a white shirt and a black bow tie. The bride is on the right, wearing a white wedding dress with a lace train and a white veil. They are positioned in front of a rich red velvet curtain that serves as the background. The lighting is soft and warm, highlighting the couple's faces. There are three decorative gold starburst graphics: one in the top right corner, one to the left of the couple's heads, and one near the bottom center.

# hello *lovers*

My name is Billie, the photographer and creative brains behind GOOD LOVIN. My approach to wedding photography is to capture your day exactly as it felt. If you're looking for a photographer who is relaxed yet organised, someone who can blend into the party but also knows when to step in and take the lead, I've got you. I love using colour, light and emotion to tell your story. I read the room on when to offer gentle direction (cue "what the heck do we do with our hands?!") and when to be the fly on the wall, simply letting the moment unfold as it is.

Your wedding day goes by in a blur. Endless time spent planning, one incredible day, and then suddenly it's over. The flowers fade. The cake gets eaten. The music ends. But your photos become the way you return to those moments. The way you remember the feeling. A little time capsule of one of the biggest celebrations of your life and your love.

Thank you for considering me to photograph your wedding. Read on down for my offerings and if I feel like a good fit, I'd love to hear from you! ❤️

# frequently asked questions

# frequently asked *questions*

## **how do we book you as our wedding photographer?**

to reserve your wedding date with me, a signed contract and a non-refundable retainer of 30% is required. Your remaining balance is due one month before the big day.

## **what happens in the lead up to the wedding day?**

once I am officially locked & loaded as your wedding photographer, I'll be here as a resource throughout your planning journey. Whether you need help with timeline planning, location scouting, or general wedding advice, I'm always happy to point you in the right direction. A few months out, I'll send through a pre-wedding questionnaire to gather all the details about your day, so I can best capture it.

## **what happens if you are sick/unable to attend our wedding?**

I always have a backup plan in place for the unexpected. In the unlikely event I'm physically unable to attend your wedding, one of my trusted photography associates will step in to capture your day. I'm very lucky to have built relationships with photographers whose style, approach, and professionalism aligns with my own, so you can feel confident knowing your wedding is in good hands. I still handle all editing and delivery of your final gallery, ensuring everything feels seamless and true to the GOOD LOVIN' experience.

### what is included in the full gallery?

Your final gallery will include a curated collection of both professionally edited digital images and analogue 35mm film images, all delivered as high-resolution downloadable JPEG files for easy downloading, sharing, printing and whatever else your heart desires.

One roll of 35mm film is included in my elopement photography package as above, so you can expect a minimum of 30 film images delivered in your gallery. *Extra film photography is available at an additional rate of \$200 per roll of film.*

My goal is to deliver you a thoughtful and considered gallery of moments from your wedding. You and your love, your people, the little details, the big details, the food, drinks and the atmosphere.
